

## DIY Packing Service Tariff

- \* None of the freight rates below cover customs inspection fees conducted in Japan and foreign countries. (except Shanghai).
- \* None of the freight rates below cover taxes, public dues and customs duties in foreign countries.
- \* The freight rates below cover no freight insurance premiums. However, shipper may buy insurance by paying a 1% premium of your desired indemnity amount (minimum insurance premium: 3,000 yen).
- \* Due to convenience for customs clearance, this service is available only to those who are scheduled to visit abroad in future or those who have left Japan six months before or less.
- \* According to the rules of our DIY-Packing Convenience Service, a pack is limited to have a total length of 170 cm (height + width+ depth) or less in size and 30 kg or less in weight. Suitcases are accepted as long as each of them does not exceed the above length and the weight.
- \* We collect your cartons for the freight rates shown below throughout Japan except islands. (\* Collecting your packs out of Okinawa Prefecture requires an additional charge of 3,000 yen per pack [per 5 cartons].)
- \* Delivery distance for the freight rates below is limited up to 60 miles (approximately 96 km) or less from a standard city in the United States. Delivery distance in other regions is limited up to 100 km or less. When delivery distance exceeds these limits, the shipper needs to pay an additional charge.
- \* Your cartons are delivered during weekdays only (no Saturdays, Sundays and holidays). Nippon Express accepts no appointment of delivery time.
- \* Cardboard boxes used for foreign delivery are not re-collected.
